SUMMER SESSIONS

”

Classes here are much more interactive, the teacher really wants to get to know you...they ask questions, and you have to be critical and rethink the status quo!

- Jamie, Switzerland
Banking & Finance
ZHAW School of Management and Law

This is a good opportunity to take some classes that you don't have in your own university...here I have a class called Human Rights & Global Politics and it's really different!

- Urs, Switzerland
Law & Economics
University of St. Gallen
